

Parent Governor

Cheryl Cowie

My name is Cheryl Cowie and I have two sons at Brent Knoll in Years 3 and 5, both starting in reception class. Although I have been at home for the last ten years as parent and carer; my working background incorporates Banking, Administration and Counselling. Since October 2017 I have been working part time at Drumbeat School in Downham.

I think I'm a familiar face with most people at school; being there daily for drop off and pick up and attending most assemblies, parent courses and groups for the last 6 years. This has made it ideal for me to get to know the day to day feel of the school, watching first-hand the change and growth in recent years and develop relationships with numerous staff. I am part of the Parent Forum; which is a partnership between the school and the parent/carers community sharing ideas, views and suggestions; also helping the school with extra-curricular activities and events for the children.

I joined the Governing Board in November 2017 and at present I am the Training and Development Governor. I offer a parent/carers perspective to the board; hoping my past professional and life experiences assist me in ensuring school decisions are considered from the children's, parents and carers viewpoints at all times. I consider it a pleasure to participate with moving Brent Knoll forward in its future successes especially in maintaining and improving the education, care and support provided for all of our children.

Term End Date: 16/11/2021
