

Parent Governor

Geoffrey Paul

Hi, I'm Geoff. My son is in Birch class and I am a dad that takes a very active role in all things to support him and help him learn and develop. I think Brent Knoll School is an amazing place and we are so grateful that our son is able to come to such a caring and supportive environment each day. I feel it is important to give something back and would therefore like to help support the school community now and into the future.
