

Chair of Governors

Liz Bailey

I have been a governor at Brent Knoll for 17 years starting as a parent governor in 2001. When my son left the school I became a community governor, now a co-opted governor. I have been Chair of Governors since 2013 and I'm currently Chair of the Brent Knoll and Watergate Trust.

I am a long standing Lewisham resident and spent many years working in children's services in Southwark and Lewisham before I retired.

Term End Date: 02/03/2019
